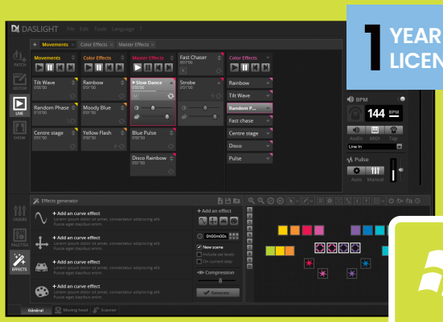
## SUNLITE SUITE 2

Designed for theatre, live shows, sound to light, stage, events and clubs ... Sunlite Suite sets the standard for professional DMX512 lighting control software. The unique page concept has been at the beating heart of Sunlite for 20 years. More powerful than many expensive lighting consoles, Sunlite Suite comes with all the live performance tools you need.



1 YEAR LICENCE

## DASLIGHT 4

Take your light show to a whole new level with the brand new DMX lighting software package from Daslight. This new generation of DMX software offers the ultimate design, the latest tools and is now available on PC and Mac. The new Show Mode allows you to create a customized screen for lightning fast, intuitive control.

1 YEAR LICENCE

## LIGHT RIDER 1

Push your light show to the next level. Light Rider app for Android lets you control your DMX lights without needing to program anything. Choose from over 15,000 lighting fixtures and once added, they will bounce, chase, ride, sparkle and perform a light show like you've never seen before. Light Rider is essential for those who do not have time to spend hours programming scenes before a show.
